

# Welcome to ERVO 2009

DTU Aqua welcomes you to the ERVO 2009 Meeting  
 in Copenhagen at the Technical University of Denmark  
 By Steen Silberg

## Meeting room support

- I like to present Mr. Milan Pavlovic who will be helping you with your presentations and videos
  - There is a presentation PC with MS Powerpoint 2007 and other software
    - If you have any special requirements, please let us know as soon as possible
  - If not allready done by e-mail, hand over your presentation in electronic form to Mr. Milan Pavlovic – as soon as possible, please!
  - Presentation will be copied to PC
    - Folder: Desktop\presentations\
  - Friday, all attendants will be provided a usb memory stick containing all presentations
- There are electrical plugs in the meeting room tables so that you can use computer and other electrical equipment during the meeting
- There will be coffee, tea, water, etc. during the two days meeting.

## How to use the DTU Wireless Network

- When in the meeting room or another place on campus, you can access the Internet using the DTU Wireless network.
- Connect to the “DTU Wireless” network. It is an unprotected network, ESSID is DTU Wireless.
- When connected, open a web browser, go to any webpage. The Authentication Service webpage will show (<https://auth.wireless.dtu.dk>). You might get a warning about the certificate used by the server, to proceed you must accept the certificate.
- Authenticate using User: w39881ab Password: ervo.2009
- You now have access to the Internet .
- See the “official” DTU Wireless webpage found at <http://www.wireless.dtu.dk/>
