

23nd ERVO Annual Meeting

1st – 2nd of June, 2021

Online

The 23rd European Research Vessel Operators (ERVO) meeting will be hosted online from the 1st to the 2nd of June 2021.

The ERVO meetings address common issues/questions that affect research vessel operators for the purpose of identifying solutions for improving services to the scientific community and developing best practices related to the operation of Research Vessels. Members present their National Reports on activities, including any future plans for acquisitions/upgrades.

Presentations on new vessel builds are invited and a number of special topics is discussed at these meetings.

The ERVO meetings provide an opportunity for RV Managers to exchange information on their national fleets, highlighting trends in the requirements for sea-going vessels and new technological developments for RV operations.

For further information please contact the ERVO Chairman: lnaudts@naturalsciences.be
