

25th ERVO Annual Meeting 12th-14th June Stockholm Sweden

Practical Information

The 25th European Research Vessel Operators (ERVO) meeting is hosted by Swedish University of Agricultural Sciences (SLU) and University of Gothenburg (UGOT) in Stockholm from 12th - 14th June 2023.

ERVO meetings address common issues/questions that affect research vessel operators for the purpose of identifying solutions for improving services to the scientific community and developing best practice in the operation of Research Vessels. Members present their National Reports on activities, including any future plans for acquisitions/upgrades.

Presentations on new vessel builds are invited and a number of special topics is discussed at each meeting.

The ERVO Meetings provide an opportunity for RV Managers to exchange information on their national fleets, highlighting trends in the requirements for sea-going vessels and new technological developments for R.V. operations.

Travel

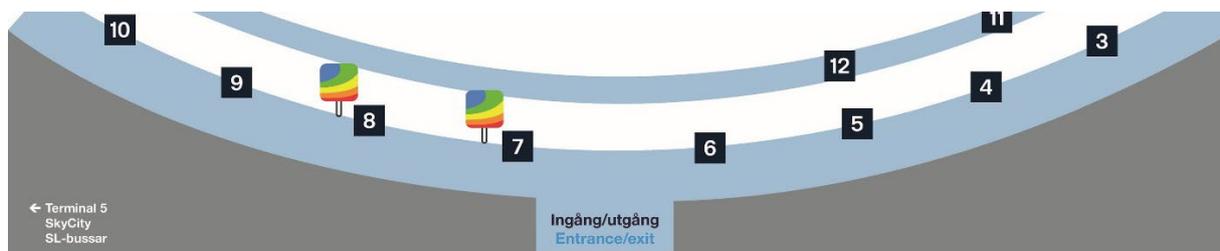

Arlanda Airport is situated 37 km north of Stockholm.

The easiest and direct option to get to the Stockholm centre is by bus or by taxi but **not by train as they are inoperable right now**. More information about transport to and from Arlanda airport. <https://www.swedavia.com/arlanda/>

By Bus

Vy flygbussarna Airport Coaches

We recommend the Vy Airport Coaches, <https://www.flygbussarna.se/en>. Use Terminal 4, Bus stop 7 for a bus to Stockholm City Centre.

By Train

You can choose between high-speed trains (Arlanda express), long-distance trains and commuter trains. <https://www.swedavia.com/arlanda/train/>. The underground Arlanda Central Station is located in SkyCity between terminal 4 and 5. If you choose to travel with Arlanda express, you board on Arlanda South or North instead depending of Terminal.

By Taxi

The taxi companies that have contracts with Arlanda have a price limit on trips within the marked zone. If you choose a taxi that does not have a contract with Arlanda, there is a risk that you will have to pay an unreasonable amount as the Swedish taxi market is deregulated. So, always ask the driver for the fixed price ahead of your trip. In addition, these taxis advertise the fixed rate on the outside of the taxi. <https://www.swedavia.com/arlanda/taxi/>

Stockholm Metro

We suggest that you use the Metro for getting around town, use the red line T14 as it covers your destinations.
