

EOOS Strategy & Implementation

ERVO's point of view

ERVO 2018

ervo
european research vessel operators

EOOS STRATEGY

Key Objective :

One single framework connecting the full diversity of the Eur. ocean observation/monitoring landscape. Observation system serving user requirements & needs, supplying key datasets for drivers & stakeholders.

ERVO 2018

ervo
european research vessel operators

EOOS STRATEGY

EOOS needs to

Connect different communities

Inclusive

Innovative : adapt EOV

Stakeholder driven

Sustainable

Focal points

Better coordinated & sustained

Relevant ocean variables (EOV & EBV)

Integrated ecosystem approach

ERVO 2018

ervo
european research vessel operators

EOOS STRATEGY

A dynamic 'ecosystem' of collaborative connected stakeholders across multiple scales (local to sea basin)

A framework – not a member organisation with stakeholder dialogue , bottom up, community driven

ERVO 2018

EOOS STRATEGY

Agree / Disagree

Anything missing? To be removed/modified?

ERVO 2018

ervo
european research vessel operators

EOOS IMPLEMENTATION PLAN

Activity 1. Mapping

Activity 2. Policy Context

Activity 3. Implementation of obs. system elements

Activity 4. Funding

Activity 5. Communications & outreach

Activity 6. Governance

ERVO 2018

ervo

EOOS IMPLEMENTATION PLAN

Activity 1. Mapping

Mapping existing infrastructures & requirements

Results of projects

Sustainability checks

EOOS Forum & Events

Activity 2. Policy Context : lookout for innovation & societal drivers

EMB pp on biological observations

EMB policy landscape

EOOS IMPLEMENTATION PLAN

Activity 3. Implementation of obs. system elements

Nat. statements of intent

EOOS design tools

EU infrastructure planning

Technology mapping : [tech. forum](#)

Best practice documentation

Activity 4. Funding

[Cost-benefit analysis](#)

Seeking EC a JPI support

National engagement

ERVO 2018

EOOS IMPLEMENTATION PLAN

Agree / Disagree?

Right Focus?

Pilot Projects?

Which ones are value demonstrators?

What performance indicators?

Does ERVO want to assist in proposed actions?
