ERVO website

The screenshot shows the ERVO website homepage. On the left is a dark blue sidebar with navigation links: Home, Contacts, Search, About ERVO, Members, Meetings, and Relevant Links. The main content area features the ERVO logo and tagline, followed by a headline: "Enabling the co-ordination of small to medium sized research vessels operators in Europe since 1999." Below the headline is a photograph of a research vessel navigating through ice. At the bottom left of the page is the "eur@cean" logo.
